

Internal Quality Assurance Cell

Vision

"To excel in ensuring academic quality and institutional effectiveness, fostering continuous improvement and innovation for comprehensive student development and societal advancement."

Mission

‘Our mission is to ensure the delivery of high-quality education, foster innovation, and enhance the overall learning experience for all stakeholders.’

Objectives

The primary objectives of the Internal Quality Assurance Cell (IQAC) is:

- To Develop and implement strategies to enhance the quality of academic programs and administrative processes.
- To Foster a Culture of Continuous Improvement by regularly assessing and reviewing the effectiveness of teaching, learning, and support services.
- To Ensure Compliance with Accreditation Standard.
- To Promote Stakeholder Engagement and Satisfaction.
- To Collect and analyze feedback from stakeholders, including students, faculty, and staff, to identify areas for improvement and address concerns promptly.
- To Establish and maintain documentation systems to record and monitor quality assurance activities, ensuring transparency and accountability.

Functions

- **Setting Standards:** Establishing benchmarks and protocols for academic and administrative procedures to ensure excellence in performance.
- **Cultivating Learning Environments:** Fostering an atmosphere conducive to learning, encouraging innovation, and promoting continuous improvement.
- **Faculty Development:** Facilitating the growth of faculty members by nurturing their expertise, embracing technological advancements, and fostering a culture of lifelong learning.
- **Engaging Teaching and Learning Practices:** Encouraging collaborative teaching and learning methodologies that involve active participation from all stakeholders.
- **Stakeholder Feedback:** Soliciting feedback from all stakeholders to assess the effectiveness of quality processes and make informed decisions for improvement.
- **Documentation:** Ensuring comprehensive documentation of all quality-related activities to maintain transparency and accountability.
- **Coordinating Quality Initiatives:** Facilitating coordination among various quality initiatives and sharing best practices to enhance overall institutional performance.
- **Management Information System (MIS):** Implementing an efficient MIS to monitor and evaluate institutional quality metrics, facilitating informed decision-making.
- **Annual Quality Assurance Reports (AQAR) and NAAC Compliance:** Preparation and submission of AQAR and NAAC reports, reflecting the institution's commitment to quality enhancement and compliance with accreditation standards.
